GUIDAD AIMEN

Summary

Experienced React/React Native Developer with a proven track record of over 4 years in designing and developing cutting-edge web and mobile applications. Drawing from 8+ years of expertise in computer science, I bring a deep understanding of JavaScript and TypeScript languages.

My skills extend to the latest technologies, including Next.js, Node.js, Prisma, MongoDB, SQL, and a wide array of tools and frameworks. I am driven by a passion for innovation in crafting user-friendly applications that align seamlessly with clients' objectives.

Experience

Full Stack Developer at Almobadarat, Jul 2024 · Present

React Developer at Hobby District, 3 months · Part-time

React/React Native Developer, 09/2020 - Present

Freelancer, remotely

-  For 4 years I have been working as a react/react-native developer. I created many projects and helped many people to solve problems in their applications.

Computer Science Student - 09/2016 - 09/2020

Mohamed Khider University Biskra, Algeria

-  In my five-year computer science program, I've built numerous projects, deepening my knowledge and practical skills. This experience, combined with academic excellence, equips me with a strong foundation for success in software development.
